

THE POWER TO DRIVE CHANGE

First of all thank you for joining the Party, we appreciate your support.

To bring you up-to-date, at the recent Executive meeting, Paul Rea was elected Chairperson, Barnaby Perkins Treasurer and Paul Norfolk Fundraising co-ordinator with Colin Bosley Campaign Manager for next year's election. The constitution of the Party was proposed, seconded and accepted. The Policies were discussed and considered but need some further input before being adopted.

We are in the process of building a website that will go live within the next two weeks and hope that you will use this to encourage your friends and associates to join the Party.

We have been giving some thought to what the Party stands for remembering that our intent is to work toward the common good of all New Zealanders but with an emphasis on Seniors.

The Top 10 highlights of our Election 2017 campaign will be:

1. Achieve a "living Pension" for all Seniors.
2. The removal of GST from Food, Medical Services, Power & Gas.
3. Health & Wellness Clinics for Senior's. We want to enjoy retirement not endure it!
4. The revision or removal of Section 70 of the Social Security Act 1964
5. Restrict immigration to those who can contribute to our workforce needs, social and lifestyle requirements.
6. All New Zealand property to remain in the hands of New Zealanders and cannot be sold to any overseas buyer.
7. A focus on economic policies that will effectively reduce poverty and the ever widening gap between the rich and poor in New Zealand.
8. Correct justice for all victims of crimes in New Zealand in line with the policies of the Sensible Sentencing Trust.
9. Free public transport on bus & rail anywhere in New Zealand which was promised

when the Gold Card was introduced. A similar system to what is available in the UK for all Seniors.

10. Increase the child benefit to alleviate child poverty and insure the health and wellbeing of future generations of New Zealanders.

We have attached an application form and ask you to please pass it on to any of your friends and associates who might be interested in joining the NZ Seniors Party. We need 500 paid up members to register the Party with the Electoral Commission.

Once again thank you for joining and you will be hearing from us again soon.

Remember our motto is: Enjoy Life - don't endure it.

Yours sincerely

Paul Rea
